Wednesday, March 16, 2016

A meeting of the Sustain Libertyville Commission was held on Wednesday, March 16, 2016 at 4:05 p.m. at the Libertyville Village Hall. Those in attendance included Chairperson Mary Cotey and commission members Doug Reed, Jerome Lukasik, Joan Sayre, Dave Wilms, and Carol Cooper. Dave Neu was not in attendance. Also in attendance was Deputy Village Administrator Kelly Amidei.

**Approval of Minutes**

Mary Cotey made a motion to approve the minutes of the January 20, 2016 meeting and Joan Sayre seconded the motion. The minutes were approved by a 7-0 vote.

**ComEd Smart Meters**

Due to weather conditions, ComEd was unable to discuss the smart meters. It is hopeful they can attend the May meeting.

**Potential Projects**

The group reviewed the Green Living Fair and raffle that was held. Everything was a great success but the Commission hopes to have a designated table for next year's Fair to ask for suggestions and promote opportunities and programs. Doug discussed the upcoming Libertyville Days and his plans to coordinate the recycling efforts again. He asked that members of the commission consider volunteering. The group also discussed reaching out to a Boy Scout troop or the naval base to see if they would clean up after the parade.

Upcoming initiatives of the group include the rainbarrel and conservation at home incentive and coordinating a park clean-up effort. Deputy Administrator Amidei provided an update on the county-wide e-waste program

The next meeting was scheduled for Wednesday, May 18, 2016. Mary motioned to adjourn and Doug seconded it. The meeting was adjourned at 5:03 p.m.

Respectfully submitted,

Kelly A. Amidei  
Assistant Village Administrator
