- 1) Approval of October 21, 2020 Meeting Minutes
A motion was made by Commissioner Cooper and seconded by Commissioner O'Brien to approve the October 21, 2020 meeting minutes. The motion passed unanimously by a 4-0 roll call vote.
- 2) Pumpkin Collection for Composting Success
The Commission discussed the results of the recent pumpkin collection at Adler Park. The Commission members volunteered and were happy to report that 2 roll-off containers (provided by Groot) ended up being 2/3 of the way full. The collection was deemed a success. The biggest pumpkin collected was 50 lb. in size. The Commission wanted to make sure the event was held in 2021 and requested additional signage on Milwaukee Ave to announce the event in advance.
- 3) Future Village Views Articles – Recycling Tips
Administrator Amidei explained that the next newsletter was planned for April and Commissioner O'Brien would prepare an article on recycling by February 15, 2021. Commissioner Wilms inquired about the article he prepared on the green energy article. This can be a future article or communication piece.
- 4) Adjourn
Motion made by Commissioner O'Brien and seconded by Commissioner Cooper. The meeting adjourned at 4:23 pm. The next meeting is on January 20, 2021 at 4:00 pm.
