Message from Carol

Greetings Everyone,

We are in the middle of the holiday season, a time when most of us become more aware of our blessings. I am very blessed to be entering my seventh year as Director of your Senior Center. I believe it is the **best** Senior Center in Lake County. I'm renewing my promise to you again this year, that is, to do my best to give you **110%** each and every day.

I want to thank you for your continued support and wish you the most joyous, prosperous, healthy, peaceful, loving, and blessed holiday season and Happy New Year you have ever experienced. May your burdens be light and your blessings be too numerous to count.

You know it's been said "he sees you when you're sleeping, he knows when you're awake, he knows if you've been good or bad" so, forget all that nonsense and have a great time and blessed holiday!

Happy Holidays,
Carol
