

CONSTRUCTION ADVISORY

2013 Pavement Rehabilitation

To: Businesses at Golf Road and Milwaukee Avenue

Date: April 23, 2013

The Village has contracted with A Lamp Concrete Contractors, of Schaumburg, Illinois, for removal and replacement of a section of West Golf Road at the intersection of Milwaukee Avenue. Weather permitting, pavement removal is scheduled to begin on Wednesday, April 24, 2013.

The segment of Golf Road to be patched extends from Milwaukee Avenue west approximately 300 feet and has been divided into three (3) separate sections (or lanes) in order to minimize the disruption to normal traffic flow. The three areas will be done in sequence; each piece will be re-opened before the next is closed. The entire process is expected to take between 20 and 25 calendar days.

While patching work is being done –

- Two-way traffic on Golf Road will be maintained; the eastbound and westbound flow will utilize the two open “lanes” around the work area.
- Access to driveway entrances on Golf Road will also be maintained.

For any questions regarding the construction, please call the Engineering Division Office at (847) 918-2100, or Vincent Wroblewski (Resident Engineer with Christopher B. Burke Engineering, Ltd.) at (847) 417-4222 between 8:00 a.m. and 5:00 p.m. You can also email Vincent Wroblewski at vinny@cbbel.com.

The reverse side of this letter provides information on how to obtain construction updates electronically or with our NEW phone notification method.

For any problems which may develop after hours, please call the Police non-emergency number (847) 362-2131, and they will contact the proper personnel for follow-up. Thank you again for your cooperation.

As always, your patience and cooperation throughout this process is greatly appreciated.

Sincerely,

Fred Chung
Senior Project Engineer

HOW TO OBTAIN CONSTRUCTION UPDATES

A. NEW! - DIRECT PHONE NOTIFICATION

The Village of Libertyville will be using the Global Connect phone notification system to deliver updates to residents on the road and water main construction this season. IMPORTANT NOTES:

1. If you have a land line telephone in your home or business (or have already enrolled), you will receive these updates without any action required from you.
2. If you do not have a land line telephone or want to subscribe a different phone number to the service, you must contact us to provide this phone number AND your property address. Contact us at (847) 918-2100 or visit our “Construction Projects” webpage for more information.

B. CONSTRUCTION UPDATE WEBPAGE

In order to help keep you informed about the project, the Village of Libertyville will be posting updates on our website. We will post them as information becomes available for the duration of the project.

To view the latest updates, please visit the website link www.libertyville.com and select the Department page for Public Works, then “Construction Projects.”

C. WEBSITE SUBSCRIPTION SERVICE – ALL PROJECTS

You may also subscribe to receive construction updates via email. To receive Village of Libertyville construction updates via email, perform the following steps:

1. Go to the Village of Libertyville homepage at: www.libertyville.com
2. From the menu of items on the left side of the screen, click the button “Notify Me.”
3. Follow the instructions as stated on the page, enter your email address and select the “Construction Updates” box under “Notify Me” to receive Construction Updates from the Libertyville Department of Public Works.

CONSTRUCTION ADVISORY

2013 Pavement Rehabilitation

To: Businesses at Golf Road and Milwaukee Avenue

Date: April 23, 2013

The Village has contracted with A Lamp Concrete Contractors, of Schaumburg, Illinois, for removal and replacement of a section of West Golf Road at the intersection of Milwaukee Avenue. Weather permitting, pavement removal is scheduled to begin on Wednesday, April 24, 2013.

The segment of Golf Road to be patched extends from Milwaukee Avenue west approximately 300 feet and has been divided into three (3) separate sections (or lanes) in order to minimize the disruption to normal traffic flow. The three areas will be done in sequence; each piece will be re-opened before the next is closed. The entire process is expected to take between 20 and 25 calendar days.

While patching work is being done –

- Two-way traffic on Golf Road will be maintained; the eastbound and westbound flow will utilize the two open “lanes” around the work area.
- Access to driveway entrances on Golf Road will also be maintained.

For any questions regarding the construction, please call the Engineering Division Office at (847) 918-2100, or Vincent Wroblewski (Resident Engineer with Christopher B. Burke Engineering, Ltd.) at (847) 417-4222 between 8:00 a.m. and 5:00 p.m. You can also email Vincent Wroblewski at vinny@cbbel.com.

The reverse side of this letter provides information on how to obtain construction updates electronically or with our NEW phone notification method.

For any problems which may develop after hours, please call the Police non-emergency number (847) 362-2131, and they will contact the proper personnel for follow-up. Thank you again for your cooperation.

As always, your patience and cooperation throughout this process is greatly appreciated.

Sincerely,

Fred Chung
Senior Project Engineer

HOW TO OBTAIN CONSTRUCTION UPDATES

A. NEW! - DIRECT PHONE NOTIFICATION

The Village of Libertyville will be using the Global Connect phone notification system to deliver updates to residents on the road and water main construction this season. IMPORTANT NOTES:

1. If you have a land line telephone in your home or business (or have already enrolled), you will receive these updates without any action required from you.
2. If you do not have a land line telephone or want to subscribe a different phone number to the service, you must contact us to provide this phone number AND your property address. Contact us at (847) 918-2100 or visit our “Construction Projects” webpage for more information.

B. CONSTRUCTION UPDATE WEBPAGE

In order to help keep you informed about the project, the Village of Libertyville will be posting updates on our website. We will post them as information becomes available for the duration of the project.

To view the latest updates, please visit the website link www.libertyville.com and select the Department page for Public Works, then “Construction Projects.”

C. WEBSITE SUBSCRIPTION SERVICE – ALL PROJECTS

You may also subscribe to receive construction updates via email. To receive Village of Libertyville construction updates via email, perform the following steps:

1. Go to the Village of Libertyville homepage at: www.libertyville.com
2. From the menu of items on the left side of the screen, click the button “Notify Me.”
3. Follow the instructions as stated on the page, enter your email address and select the “Construction Updates” box under “Notify Me” to receive Construction Updates from the Libertyville Department of Public Works.

In order to help keep you informed about the project, the Village of Libertyville will be posting updates on our website. We will post them as information becomes available for the duration of the project.

To view the latest updates, please visit the website link www.libertyville.com and select the Department page for Public Works, then “Construction Projects.”

C. WEBSITE SUBSCRIPTION SERVICE – ALL PROJECTS

You may also subscribe to receive construction updates via email. To receive Village of Libertyville construction updates via email, perform the following steps:

1. Go to the Village of Libertyville homepage at: www.libertyville.com
2. From the menu of items on the left side of the screen, click the button “Notify Me.”
3. Follow the instructions as stated on the page, enter your email address and select the “Construction Updates” box under “Notify Me” to receive Construction Updates from the Libertyville Department of Public Works.
