WEEK 2 WRAP UP

"You ain't never had a friend like me"! This week at ADC campers made many new friends, had fun dressing in their favorite Disney gear, and got all messy for a good reason.... making Frozen themed glitter silly putty. Felix and Fingers entertained us with playing awesome Disney music on Monday. Campers were called on to participate playing cowbells and singing songs while making letters with to spell out words with their bodies. On Tuesday we made silly putty and dressed up as Disney characters on Wednesday. Thursday was filled with Disney themed games such as Aladdin's magic musical "towels" and guess which Disney character 50 questions. Several groups took walking field trips to Pizza Hut and Yo Froot. If your camper didn't go this week, other groups will be going in upcoming weeks....stay tuned for more information. On Friday, The Game Show Gurus were here playing Disney themed trivia games with campers. Have a great weekend and Happy Father's Day to all our ADC dads!
