### WEEK 3 WRAP UP

We had a hee-haw of a good time this week heading to the wild, wild west. On Monday we made Wanted posters that were hung up all over the lodge. Everyone enjoyed looking at them all. Campers had some very creative ideas in what they were "wanted" for. For an afternoon snack everyone made a yummy trail mix of cheerios, goldfish, m&m's and chocolate candies. On Tuesday we made western picture frames. Wednesday brought some clouds and showers, but we didn't let that stop the fun. In the afternoon we headed to the Libertyville Sports Complex to play on the sports courts and work on some fun projects. ADC had its very own Gold Rush on Thursday. Campers searched the camp grounds for golden nuggets and gold coins. They turned their coin in for a special "western" themed treat from the prize box. Cowboy Randy was here to teach us yodeling and rope tricks on Friday and we had many campers dress as cowboys and cowgirls to wrap up Wild West Week. A few groups took walking field trips for lunch to McDonalds and Pizza Hut. Check the "welcome week 4" e-mail coming soon for next weeks walking field trips!
