Week 4 Wrap Up

Campers were amazed to see the variety of animals that came to visit us from Nature's Creatures Petting Zoo! Camp favorites were the turkey, bearded dragon, python, hedgehog, and a 28yr old tortoise. Thank you Mr. Mark for grilling up some yummy hot dogs and hamburgers for lunch! On Thursday, campers had the opportunity to dress up like a twin. Children enjoyed lunch with their families to conclude our week!

Reminder:

Please send your camper with a swimsuit everyday; we have a lot of water games throughout our week!
