MEETING MINUTES

Commission: Chair Doug Reed, Cathy O'Brien, Dave Wilms, Carol Cooper
and Dave Neu

Village Staff: Kelly Amidei, Village Administrator

Guests: Chris Geiselhart and Glen Moss

1. Approval of June 16, 2021, Meeting Minutes

A motion was made by Commissioner Wilms and seconded by Commissioner O'Brien to approve the June 16, 2021, meeting minutes. The motion passed unanimously by a 5-0 roll call vote.

2. 2021 Residential Composting

Chair Reed discussed the potential obstacles for participation in the Village's curbside composting program. Following the discussion, it was decided that a brief survey on how residents compost and what needs they may have should be done. Administrator Amidei will work on a draft survey. The Village of Deerfield provides free composting in their contract which is \$250,000/year over 5 years. Chair Reed distributed the newspaper article.

There was a discussion regarding the pumpkin composting event for 2021. It was very successful last year, and the Commission wanted to do it following Halloween again. The group discussed the date of November 6th at Adler parking lot. Two roll-off containers will be requested from Groot.

3. Residential Electrical Aggregation Programs

Chair Reed reviewed the new North Shore MC Squared program which is similar to Libertyville's.

Administrator Amidei explained that some residents in the current aggregation program will be moved to ComEd from Mc Squared due to usage changes related to working from home during the pandemic. It does not change any elements of the program. She also let the group know that Libertyville qualified to be an EPA Green Power Community.

4. Bird City Program

Glenn Moss presented the Bird City program to the Commission. The Commission was very interested in pursuing the certification and Glenn mentioned some criteria may have already been met. Following a thorough discussion, it was suggested that a sub-committee be formed to determine how to achieve the certification. Administrator Amidei indicated there was enough in the budget for the application fee and that once they were ready to make the application it could be presented to the full Board.
