Request is for new fencing.

Commissioner Kollman recused himself from this item on the agenda.

Mr. Ben Lovinger, applicant, presented the proposed fencing for 111 School Street. Mr. Lovinger stated the initial scope of the project included a privacy fence to screen from dumpsters and a decrepit parking lot. Mr. Lovinger stated the Village was able to clean-up the parking lot, provide a centralized garage corral, and install landscaping to beautify the area. Mr. Lovinger stated that they installed a black wrought-iron railing on the east side of the patio to blend with the updated parking lot and landscape features. Commissioner Rooney stated she has no issues with the proposal and even noted how the wrought iron provides more of a community feel to the area.

Commissioner Galo made a motion, seconded by Commissioner Rooney, to recommend the Village Board of Trustees approve the application for new fencing at 111 School Street, in accordance with the plans submitted.
