

Restore Illinois Phase 4 – Libertyville Sports Complex and Fitness Center

FOR IMMEDIATE RELEASE Libertyville, IL, June 26, 2020 –

The State of Illinois Phase 4 reopening guidelines allow for a limited amount of indoor recreation and fitness activities with a significant number of restrictions and mandated precautions.

After careful consideration, the Libertyville Sports Complex and fitness center will remain closed as the State moves into Restore Illinois Phase 4 on June 26, 2020. As an open warehouse-style, mixed-use indoor recreation facility that offers sports floor space primarily to outside groups, enforcing crowd separation, sanitization requirements, mask usage, and social distancing will be difficult.

The Village of Libertyville's primary concern is the health and safety of its residents. Though Phase 4 of the State's recovery plan recognizes the progress that has been made in controlling the spread of COVID-19, it remains a significant risk, particularly in indoor environments such as the Libertyville Sports Complex and fitness center.

Due to the ongoing closure of the facility and uncertainty related to the timing of reopening, the Village previously decided to issue prorated refunds to members of the fitness center. This process was completed during the month of June and all refunds for fitness center memberships have been issued as of the date of this release.

The Village will continue to monitor the progression of the COVID-19 pandemic and its impact on the reopening of the Libertyville Sports Complex and fitness center. The Sports Complex has not been shut down permanently and the Village looks forward to the day when it can safely resume providing indoor recreation and fitness offerings to its residents. In the interim, the Village endeavors to offer enhanced outdoor rentals and recreational activities—stay tuned to social media and the Village's website in the coming weeks for more information.

About the Village of Libertyville – The Village of Libertyville is a north suburban Chicago community of nearly 22,000 residents and over 900 businesses, including 25 retail centers, 100 restaurants and a historic downtown. www.VisitLibertyville.com
